Dear

We are glad that you have chosen Cornerstone Pain Management for your pain management healthcare. We appreciate the opportunity to treat you and want to make the pre-visit process as simple and convenient as possible.

Therefore, enclosed you will find a packet of forms that the office and your physician will use during the course of your care. **These forms need to be filled out entirely and given to the receptionist when you sign in for your first visit. If forms are not filled out, we will need to reschedule your appointment.**

It is our goal to see the patients as close as possible to their scheduled time, so **please plan to arrive in the office 15 minutes prior to your appointment.** There will be a few remaining in-office preparations to be completed prior to your being seen and they need to be finalized by your scheduled appointment time.

Your appointment is scheduled on \_\_\_\_\_ at \_\_\_\_\_.

We appreciate your understanding and look forward to the opportunity of having you as our patient. If you have any questions, please feel free to call. For your convenience we have included general directions to our clinic.

Thank you for your cooperation,

*The physicians and staff at Cornerstone Pain Management*
